

# wagamama®

we've introduced some new measures to ensure you can collect your wagamama take-out safely

firstly, we've removed our normal menus. this limits contact to help keep everyone protected! instead, we've created this paper menu which has all the info you need, including prices

you may have also noticed, we've reduced our offering. all the classics are still there, but this helps our kitchens running on smaller teams, to nourish guests with ease

after ordering, you'll be asked to wait outside while your food is prepared. this is in accordance with social distancing guidance. pop back in 15-20 mins + your wagamama fix will be ready for home
